Easter Moments

2019

DEAR GUEST,

Easter is the perfect time to unwind and engage in pleasurable recreation after a busy start to the year. We invite you to celebrate the season in style whilst restoring your body and mind through play, amusement and relaxation.

Partake in an island art jamming session, a cocktail masterclass, or a Madeira wine, port and chocolate tasting guided by our house sommelier. Enjoy distinguished gourmet moments catered by our chefs, from a beach front live cooking station at Athiri to a special 6-course tasting menu in our signature restaurant Aragu.

With live performances from celebrity magician, Luca Gallone; renowned a-cappella group, Naturally 7; and hit LED dance troupe Light Balance - this year's Easter Sunday Gala Dinner is sure to be our best one yet!

Last, but not least, Lha Velaa Kids' Club will be transformed into the Pride Lands of Africa, inspired by Disney's The Lion King. The team have also prepared a host of exciting events to keep our younger and youngest guests well and truly entertained.

We look forward to welcoming you soon at Velaa Private Island. May your Maldivian memories last for a lifetime.
